

SUPERVISORS EVALUATION OF MASTER'S PROJECT

Author of work: Bc. Ugur Burak Han

Supervisor of work: Ing. František Vajkay, Ph.D.

The presented project documentation was prepared by Bc. Ugur Burak Han. The student chose the assignment on his own accord. Bc. Ugur Burak Han wanted to design a public building thus his choice fell on the assignment of a healthcare centre.

Mr. Ugur Burak Han put some effort into the creation of this work, which can be also seen in the partial application of Czech standards regarding drafting. The only problem I had come across was that Mr. Ugur Burak Han did consult irregularly, really rarely. Since I have not seen Mr. Ugur Burak Han throughout the winter term as much as I liked to, thus could not verify the design process on a regular basis, as the supervisor I award Mr. Ugur Burak Han's approach to the design process with the following grade:
